## **POOL MANAGER AND LIFEGUARDS**

The Board of Directors has authorized the Pool Manager and lifeguards to enforce the Club Rules and Regulations. They have the authority to take any steps deemed necessary for the

safety of members and guests who are on the premises. This authority shall include, but is not limited to, the following:

- Stop activities they deem unsafe or not in the best interest of all members;
- Refuse admittance, with cause, to any person at any time; and
- Demand, with cause, that any person leave the pool or the Winding-Vista facilities.

Whenever possible, the Pool Manager and lifeguards will solicit concurrence from at least one additional adult witness before demanding any person to leave the pool and other Club facilities, including the playground, tennis, and parking areas.

## **GUESTS**

Guests must be accompanied by an adult member and must register with the lifeguard or other authorized representative.

Members are responsible for the conduct of their guests while they are on the pool grounds and any other Winding-Vista facility.

The pool is intended for use of its members. On occasion, member families may bring guests. It is not intended that members bring guests regularly or bring the same guests repeatedly. The Winding Vista Recreation President, Pool Manager, members of the Board and the lifeguards reserve the right to ask any guest in violation of the spirit of the guest policy to leave the pool. The Club President or Pool Manager may contact member families who abuse the guest privileges.

Any caregiver who does not belong to the family list, but is standing in for the parent(s) in their absence while at work, will be able to remain with those children on a potentially repetitive basis without being asked to leave.

Please register yourself and your guests daily. The **guest fee is \$3.00 per person**. A member must be present with each guest or guest family. Maximum number of guests per day is limited to four (4) persons.

There is no charge for non-swimming guests (i.e. infants or individuals wearing street clothes) or out of town houseguests.

## **HEALTH AND SAFETY**

No smoking is allowed anywhere on Winding Vista property at any time.

No hair/bobby pins or curlers will be worn when swimming unless covered by swimming cap.

No child under twelve (12) years of age will be permitted in the pool area unless accompanied by an older person not less than sixteen (16) years of age, who is both responsible and qualified.

No child over five (5) years of age is permitted in the wading pool.

No child may be left unattended in the wading pool area. Please use common sense when you have young children swimming in the deep end.

Children who are not potty-trained **must** wear swim diapers **covered by** waterproof rubber pants with snug-fitting legs and waists when entering either pool. A swimsuit must be worn over the rubber pants and diapers. **Any contamination to either pool results in the pool being closed for 24-hours.**

No glass objects will be permitted in or around the pool area.

The diving board may not be used unless the lifeguard on duty says the board is open for use. The board may be closed at any time. While open, only one person is permitted on the diving board at any time. There shall be no diving or jumping from the side of the diving board or from the side of the pool in the diving area. No swimming across the pool under the diving board is permitted.

Inflatable toys, rafts or inner tubes may be used only to the extent that they do not impair the fun and frolic of the swimmers. The Pool Manager or lifeguards have the authority to remove any and all objects of this type at any time.

Styrofoam toys and floats are not permitted in the pool because Styrofoam particles create maintenance problems with the pool filter.

Any person having a skin disease, an open wound, inflamed eyes, colds, nasal or ear discharges, or any communicable disease will be excluded from the pool area. A complete first-aid kit will be available at all times near the bathhouse. All injuries or illnesses must be reported to the Pool Manager or a designated representative immediately.

The Pool Manager will have on file the Medical Release forms provided for all family members of the pool.

All incidents of contamination that lead to the closure of either the main pool or the wading pool that are linked to a member or their guests will result in the following reimbursement of expenses:

**First Occurrence** – Warning

**Second Occurrence** – Reimbursement cost of \$250.00. This amount is the estimated cost of the 24-hour closing period to the community

**Third Occurrence** – Reimbursement cost of \$250.00 and suspension from the pool for thirty (30) days

## **CONDUCT**

Winding-Vista has a code of conduct to ensure the safety and enjoyment of all members and their guests while using the facilities. Each member must adhere to the following rules of conduct and ensure their children and guests adhere to the same rules of conduct.

The Pool Manager and party host will schedule the party at a time that provides for the safety and convenience of both the party participants and the Club membership. The party host is responsible for the supervision of all attendees and the cleaning and maintenance of the area following the event. If a lifeguard is added in order to facilitate the additional guests, this cost will be passed onto the party host.

There will be a \$3.00 guest fee charge for all non-members attending the party that are five years old or older. **Non-swimming adults (e.g. parents, guardians) accompanying minors to scheduled pool parties are exempt from the \$3.00 guest fee**
